On behalf of the Local 295 Executive Board and myself, I would like to welcome and congratulate Tim Black on his appointment as Trustee, replacing Steven Bruno who has been appointed as Recording Secretary replacing Iggy Garcia who retired earlier this year. Timothy Black has been a member of Local 295 since 1993, during his tenure Tim worked for Airborne Express at several locations. He has served this Local as an Alternate Steward, Primary Steward, and now serving as a Trustee on the Executive Board of Local 295. During

Tim's 30 years with Local 295 he has raised his family, purchased several homes, put his kids through college and is living a successful true blue-collar life as a Local 295 Teamster member. He has been a dedicated member serving this Union and the members.

Local 295 Executive Board

Celebrating Over 300 Years of Combined Membership & Service

Ignacio "IGGY" Garcia retires from DHL after 30 years of service. Iggy has been a dedicated Local 295 Executive Board member for 17 years. He served as DHL ZYP Shop Steward always fighting hard for his fellow workers enforcing the contract.

Cathy Minei retires after 44 years at Kuehne & Nagel. "I have mixed emotions about retiring, and will miss everyone, this was my home and family for so many years. I've been here for such a long time that it feels like when I started working here it was horse & buggy delivery 😊" said Cathy. Her experience in the industry, input and wit will be missed by all of us!

Frank Hartsuff retires from J & J Int'l LLC with 36 years of service. Frank is a dedicated Shop Steward helping fight the battles at JFK airport. Frank and his family are heading south to enjoy his well-earned retirement!

Shop Steward Mary Fran Martinez from UPS-CSI at EWR is also calling it a day after 44 years of employment and service. She was a dedicated member and steward.

President's Message

"Every record has been destroyed or falsified, every book rewritten, every picture has been repainted, every statue and street building has been renamed, every date has been altered. And the process is continuing day by day and minute by minute. History has stopped. Nothing exists except an endless present in which the Party is always right." -George Orwell, 1984-

VICTORY THROUGH UNITY

We are the middle-class working-class people that make up the majority of America. Our upbringing greatly influenced who we are and how we live our lives. Most of us came from working class families who lived by working day in and day out and living paycheck to paycheck just as we do now. Our values and morals are rooted from our family's history, culture, and religion. These values, our faith, common sense and "Working Class Ethics" is what drives us, guides us and is what we as union members have in common. Our working-class ethics give our lives purpose and meaning which leads to success.

The Local 295 Executive Board and I believe in our Teamster Local 295 Working Class Ethics. We believe in our teamster union and most of all I believe in you. You who get up every morning, go to work and play by the rules. You are raising and supporting a family or yourself. You are a real American Teamster working-class hero in the world I was raised in, and in the real world I live in. I will proudly spend my life to serve and protect you and our way of life.

As a working 295 Teamster I have raised three children. All three are married and with their spouses are each raising three children with the same principles, values, and faith that they were raised with. We are the working middle-class that have always worked and lived to serve and protect our families and this country and I couldn't be prouder of you and them.

I would like to congratulate all of this year's Scholarship Fund winners and wish them the best of luck as they start a new chapter. I would also like to congratulate the newly retired 295 Teamster members for their service, membership and for being an example of all that I have said above. I wish everyone a happy and healthy summer and I am always grateful for your trust and support. God bless all the Local 295 members and this country!

The Local 295 Teamster Store is now OPEN – Visit our website at www.local295.com to start shopping for teamster apparel.

Congratulations to our latest DHL / ELZ Retirees! Sean Hambacher with 34 years, Chris Morrone with 37 years, John Romano with 36 years, Jimmy Constantine with 41 years of service and Richard Gioia with 18 years of service.

Your Pension Benefit is one of many benefits Local 295 fights for. These benefits are funded by the contributions that are won at the contract bargaining table by Local 295 and its members. Congratulations and best wishes to all our Retirees! We wish them a Happy & Healthy Retirement!

It is your responsibility to request a Withdrawal Card within 90 days from when you are Laid off, called to Military Duty, Terminated, Retire, go on Disability or Resign. Failure to obtain a withdrawal card will result in you continuing to accrue a monthly dues obligation and a suspension after 90 days which may obligate you to pay extra dues and re-initiation fees.

The charge for the Withdrawal Card is \$0.50. All initiation fees and dues must be up to date through the last month worked before the withdrawal card is issued.

Your Withdrawal Card Application MUST be submitted directly to Local 295. DO NOT give your application or payment to your Shop Steward or Business Agent! Mail or bring this form to the Local 295 office (33 W. Hawthorne Avenue, Suite 29, Valley Stream, NY 11580) along with your check or money order for \$0.50 plus any outstanding dues/fees owed (you may call the office 516-568-1970 for your current dues status). If you are filing for Disability or Military leave you must also provide a copy of a state disability check or a copy of your military orders.
